ACTIVITIES

The activities we offer are all Gymnastic type activities which include basic gymnastics , trampolining fun, possible vaulting (age dependant) beam walking and why not try double mini trampolining (some activities are dependent on the age of the children)

FOOD

The club does not offer catering but you are welcome to bring your own. The club can provide tables but does not provide a seating dining experience. You are welcome to decorate the main meeting room but please note that we do not allow you to use pins or any form of tape on the walls or furniture, we do however allow you to use blu tack. Please note that it is your responsibility to clean up the main area after your party. Please note that you are responsible for removing all your own rubbish from the centre as bins are not provided. Please leave the room as you have found it.

NUMBERS AND AGES

The minimum age we allow to take part is 4 years old this is due to the nature of the trampolines. We can have a maximum number of 15 children in our standard package, once you go over this you will require an additional coach. 15 to 30 you require 3 coaches, 30-35 you require 4 coaches. Please note we run a strict participant to coach ratio for Health and Safety and participant enjoyment. Please make sure the birthday child and any siblings are included in your final numbers.

DRESS CODE

Due to the nature of the sporting activities we do have to insist on clothing being correct. If the child attends wearing the incorrect clothing this will lead to the child being refused participation. Please see the attached list to this document the DO'S and DON'TS of clothing. (please also pass this information out with the party invitations)

ON ARRIVAL

On arrival your party may congregate within the waiting area. Please pay the remaining monies at this time. Once your party members have arrived the warm up game will commence before the main activities start. This gives time for any late comers to arrive and also warms the muscles with fun games.
