Welcome Letter

Dear All

Due to the major changes we decided to make during the 2022 season, we thought it would be best to create this as a separate document to help find the information easier. For all event Dates and information please reference the Competition Handbook 2023, posted on the English Gymnastic website.

After consultation, it was noted that the criteria were found to be difficult and restrictive. In the pursuit of driving up the numbers within our disability format, we have made changes that we hope will give greater access to the English Competition structure.

Within this handbook you will find routines and criteria for the English Gymnastic competition series. We look forward to greeting you all to the qualification series in 2023.

Regards

Stephen Wood
