Introduction:

Welcome to the new English handbook. The change in layout of these documents, will make it easier to find information and more efficient. Within this document you will find easy fast access to all the competition exercises and criteria. The dates and venue information were added to this document, to make it easier to plan your competition year.

Orientation sessions will **NOT** be held at English Qualification events. Unless otherwise stated, all Silver gymnasts will compete on a Saturday, Gold and Masters will compete on a Sunday. Championships will run differently to the qualification series.

Please Note the following changes made for 2023:

After consultation with the England programme coaches, it has been decided that from 2023, we will allow those 10, 11 and 12 year old, who compete in the Silver age group, to also compete at Masters Youth, in both TRA & DMT. It is believed this will offer much-needed experience for those who wish to push themselves towards a higher level, whilst maintaining the quality of their age group exercises. We hope that this will help provide a quality platform, for those younger age groups to thrive and perform more taxing DD's in the correct environment. In DMT, England will now adopt the full FIG rules to help prepare gymnasts for future FIG events.

Please make sure you read this handbook through, so you understand any and all changes made.

TUM: Added 06/01/23: Changes to Regional Silver criteria Regional levels 1-4.

Competition Events Calendar 2024

The 2024 Calendar will be released once the programme has been completed and confirmed.

English Trampoline Qualification Series

Individual Trampoline

All TRI English Qualification Series will consist of the qualification round comprising of 2 exercises, (please see minimum standards within this document). There is no finals at the qualification event for TRI. Finals for TRI groups will only be used at the English Championships (EC), comprising of the top 8 Gymnasts from the competition's qualification round.

Gymnasts competing in silver age groups, gold age groups, gold youth and junior categories must complete both exercises at a single qualification event to be eligible for qualification to the English Championships. In all categories (excluding Individual Junior and Senior Gold and Senior TRS), the two scores from the compulsory and voluntary exercises will be combined to create an overall score, this will be used to rank the gymnasts. In the Junior, Senior and Senior TRS Gold event the gymnasts will perform 2 exercises with the highest score from those two exercises counting towards their ranking. If the gymnast competes in more than one qualification event the highest of the two qualification scores will count towards the final ranking.

Synchronised Trampoline

The TRS competition will consist of two (2) exercises only (see exercise criteria in the tables below). There will be no Finals for TRS at the qualification series or the English Championships. Youth and junior TRS Gymnasts must complete both exercises at a single qualification event to be eligible to qualify for English Championships. Senior TRS must complete one (1) of the two (2) exercises (see exercise criteria in the tables below).

In the age groups 'Youth', in both Silver and Gold, there is the option to have same gender pairings or mixed gender pairings. In Junior only same gender pairings will be accepted. TRS Silver has no minimum DD but will follow the maximum DD's set out in the document below. TRS Gold will have set minimum DD, the minimum requirements are set out in the document below.

You will NOT be allowed to compete outside your age bracket set out in this document. Clubs may pair with a gymnast from another club. The pair will be required to compete in matching attire, (mix gender pairings must have similar themed attire when competing). Gymnasts may move up a level if they competed at Silver in TRI and they want to partner someone who has performed at TRI Gold. The gymnast will only be allowed to move up from Silver to Gold, NOT down.

Tumbling Gold

The competition will be limited to the top 16 gymnasts of each gender ranked from the, Northern Open competitions, April 1st and 2nd at Cheshire Gymnastic Centre and Southern Open competition, 6th May at Milton Keynes GC. The competition is being run by Tumble Events Ltd. Entry forms will be available from Tumble Events website: [Tumble Events](#)

Double Mini Trampoline

DMT competitions are composed by Qualifications and Finals, according to the following structure:

Competition Phase	Who Competes	Exercises	Starting Order
Qualification 1	All Gymnasts	2 Exercises	Draw
Qualification 2	Top 24, if 48 entries or more. Top 16, if 32-47 entries. None, if less than 31 entries	1 exercise	Draw
Final 1	Top 8	1 exercise	Draw
Final 2	Top 4, if 10 or more entries at Q1	1 exercise	Keep F1 order

DMT Qualifications

Qualifications are divided in two rounds: Qualification 1 (Q1) with all registered gymnasts competing, and Qualification 2 (Q2) with the number of gymnasts depending on the entries:

- 1-31 entries No Q2
- 32-47 entries Q2 with 16 gymnasts
- 48+ entries Q2 with 24 gymnasts

Q1 is composed by two voluntary exercises with no repetition of elements allowed in either exercise. The highest sum of the scores of the two exercises will determine the qualification to Q2 or to the Final. The starting order for Qualifications (Q1 and Q2) is decided by a draw. The gymnasts will be divided in groups, as evenly distributed as possible, of no more than sixteen (16) per group, with each group performing their first and second exercises prior to the next group starting the Qualifying Round.

The winner of each competition group will qualify to Q2 or to the final. The remaining places for Q2, up to 16 or 24 places, or for the final, up to 8 places, will be granted according to the final ranking of the first round of qualification.

Q2 Gymnasts will start Q2 with a score of zero. Elements from Q1 can be performed in Q2, but not in the same zone of the DMT as in Q1. The winner of each competition group will qualify for the Final. The remaining six (6) places for the Final will be granted according to the final ranking of all gymnasts.

DMT Finals

The starting order for Finals is decided by draw. Starting order for F2 will follow the same order as F1 with the four (4) qualified gymnasts.

Finals are divided into two rounds Final 1 (F1) and Final 2 (F2) with no repetition of elements allowed in either exercise:

- In F1, the eight (8) gymnasts will perform one (1) voluntary exercise. Gymnasts start F1 with a score of zero. The best 4 (four) gymnasts will qualify to F2, while the remaining four (4) will be ranked from 5th to 8th position according to their results in F1.
- In F2, four (4) gymnasts will perform one (1) voluntary exercise. Gymnasts start F2 with a score of zero. The winner is the gymnast with the highest score in F2.
- In case of any tie, then tie break rules will apply (see Appendix 2 page 35 of the Competition Handbook 2023).
